### **13.04.040 – Additions to system - Permit requirements**

All persons, firms or corporations who desire to install or make additions to an air-conditioning system after the effective date of the article codified in this chapter shall obtain approval of their proposed equipment and a permit therefor, in advance, from the building official. The permit charge shall be one dollar per ton of capacity of the system. All persons, firms or corporations who have installed an air-conditioning system prior to the effective date of the article codified in this chapter shall notify the building official of such existing installation. Failure to give such notice shall be considered a violation of this chapter.

(Prior code : § 15.403(A))
