

15.36.080 Inspection of construction and equipment required

15.36.080 – Inspection of construction and equipment required

The owner or his agent shall notify the building and health departments at specific predetermined states of construction and at the time of completion of the swimming pool to permit adequate inspection of the swimming pool and related equipment during and after construction. Such inspection shall be performed on notification and at reasonable hours. The swimming pool shall not be placed in operation until such inspections show compliance with the requirements of this chapter.
