

17.26.110 – Sign landscaping

Freestanding signs shall be landscaped at the base of the sign in accordance with the following:

- A. The landscaping shall extend a minimum of three (3) feet from the outer edge of the sign base on all sides. Where the area around the base of a sign is insufficient in size to accommodate landscaping, the Director of Community Development may permit installation of a portion of the required landscaping at an alternate location on the site.
- B. Freestanding signs shall be landscaped with small shrubs, ornamental grasses, and/or perennials to a height of twelve inches (12”) to three feet (3’) at planting, depending on the height of the sign.
