

2.36.220 Emergency termination or reduction of electrical service

2.36.220 – Emergency termination or reduction of electrical service

- A. Declaration of emergency condition. When in the judgement of the Mayor or council, as provided herein in Section 7(a), a local disaster emergency requires the termination or reduction of electrical service, the Mayor or council shall forthwith declare in writing the existence of the emergency condition and order the termination or reduction.
