

3.04.080 Audit - Required annually - Filing

3.04.080 – Audit - Required annually - Filing

As soon as practicable at the close of each fiscal year, and not later than six months thereafter, there shall be an audit of all accounts of the city made by a competent person authorized to act as an auditor under the laws of Illinois, to be designated by the city council. Copies of such audit report shall be filed with the city clerk and with the director of the state department of revenue and in such other places as may be required by law.

(Prior code : § 10.207)
