5.50.010 – Definitions

The following words, terms and phrases, when used in this section shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Newspaper dispensing device: a container constructed of metal or other material of substantially equivalent strength and durability which is used for the dispensing of newspapers, fliers, handbills, or other similar printed materials at a cost or free of charge.

For purposes of this ordinance, the geographic area referred to as the “Central Business District” or “CBD” shall have the same boundaries as the City’s Special Service Area #1B.

(2002-M-24 : § 1)
