

8.04.220 Notice of violation - Service procedure

8.04.220 – Notice of violation - Service procedure

Any policeman or inspector of the building department or health department of the city shall serve the notice provided for in Sections 8.04.200 and 8.04.210 upon the owner or occupant of the property which such nuisance exists, or upon both of them, and shall upon his return make a copy of such notice, showing the time of service, the person upon whom it was served, or the manner in which it was served.

(1966-21 : (part); Prior code : § 27.1006)
