

8.32.020 Sanitation requirement

8.32.020 – Sanitation requirement

Any business establishment, firm or association providing toilet facilities for the general public shall maintain said facilities in a clean and sanitary condition, in good repair, well lighted and ventilated by means of a mechanical fan or openable screened window, and the door to such facility shall be self-closing. Adequate handwashing facilities, including running water, soap and sanitary towels or drying devices, shall be provided.

(1978-M-31 : § 1; Prior code : § 19.401)
