

## 9.54.010 Findings

---

### **9.54.010 – Findings**

That the corporate authorities of the city of St. Charles are advised that there is a widespread truancy problem within the city of St. Charles, and further finds that the adoption of a local ordinance prohibiting truancy will be helpful in the effective control and elimination of this problem.

(1996-M-63 : § 1)
