In addition to proving that he did not owe the tax for which recovery is sought, the claimant must also prove that he bore the burden of the amount of such tax, either by not shifting the burden of the tax to anyone else in the first instance, or by unconditionally refunding any amounts passed on because of the tax to his customers, who bore the burden thereof.
- C. Statute of Limitations. As to any claim filed with the comptroller on and after each January 1st and July 1st, no amount of tax or penalty erroneously paid (either in total or partial liquidation of a tax or penalty) under this chapter more than three years prior to such January 1st and July 1st, respectively, shall be credited or refunded.
- D. Credit Memorandum or Refund. When any claim is allowed, the City Council may issue a credit memorandum to the claimant for the amount so allowed or refund such amount in such manner as the City Council shall determine or as set forth in Section 3.32.070 (E) below.
- E. Refunds. In case the City Council determines that the claimant is entitled to a refund, such refund shall be made only from such budgeted amount as may be available for that purpose. If it appears unlikely that the amount budgeted would permit everyone having a claim allowed during the period covered by such budgeted amount to elect to receive a cash refund, the City Council will make such refunds only in hardship cases (i.e., in cases in which the claimant cannot use a credit memorandum.)

The act or privilege of originating in the city of St. Charles or receiving in the city of St. Charles intrastate telecommunications by a person at the rate of five percent (5%) of the gross charge for such telecommunications purchased at retail from a retailer by such person. However, such tax is not imposed on such act or privileges to the extent such act or privilege may not, under the Constitution of the United States, be made the subject of taxation by municipalities in this state.
  2. The act or privilege of originating in the city of St. Charles or receiving in the city of St. Charles interstate telecommunications by a person at the rate of five percent (5%) of the gross charge for such telecommunications purchased at retail from a retailer by such person. To prevent actual multi-state taxation of the act or privilege that is subject to taxation under this paragraph, any taxpayer, upon proof that the taxpayer has paid a tax in another state on such event, shall be allowed a credit against any tax enacted pursuant to this paragraph to the extent of the amount of such tax properly due and paid in such other state which was not previously allowed as a credit against any other state or local tax in this state. However, such tax is not imposed on the act or privileges to the extent such act or privilege may not, under the Constitution and statutes of the United States, be made the subject of taxation by municipalities in this state.

Retailers shall collect the tax from the taxpayer by adding the tax to the gross charge for the act or privilege of originating or receiving telecommunications when sold for use. The tax authorized by this section shall constitute a debt of the purchaser to the retailer who provides such taxable services until paid, and if unpaid, is recoverable at law in the same manner as the original charge for such taxable services. If the retailer fails to collect the tax from the taxpayer, then the taxpayer shall be required to pay the tax directly to the city of St. Charles.

Whenever possible, the tax authorized by this section shall, when collected, be stated as a distinct item separate and apart from the gross charge for telecommunications.

Any such determination and assessment shall be made by the Finance Director upon his best judgment and information, and it shall be permissible for the Finance Director to show a figure that represents the tax due for any given six (6) months instead of showing the amount of tax due for each month separately. The Finance Director shall immediately serve notice of tax liability upon such person and make a demand for payment of the tax together with interest and penalties thereon. If the person incurring any such liability has died, such demand may at the discretion of the Finance Director be made against his personal representative. Such determination and assessment by the Finance Director shall be final at the expiration of forty-five (45) days from date of the service of such written notice thereof and demand for payment, unless such person shall have filed with the Finance Director a written petition pursuant to section 3.42.160, specifying its objections thereto.

Notwithstanding the foregoing, in the event a tax return is not filed, or if during any four (4) year period for which a notice of tax liability, assessment or other determination may be issued, the tax paid was less than 75% of the tax due, the statute of limitations shall be six (6) years after the end of the calendar year in which the return for the applicable period was due or end of the calendar year in which the return for the applicable period was filed. No statute of limitations shall apply if a fraudulent tax return is filed.
- D. Whenever any person shall fail to pay any tax herein provided, the city attorney shall, upon the request of the Finance Director, bring or cause to be brought, an action to enforce the payment of the tax on behalf of the city in any court of competent jurisdiction. Such action shall be in addition to any other remedy afforded the city under this chapter or under any other law, including a prosecution for violation of this chapter.

- B. Any person seeking a redetermination by the Finance Director shall file a written petition for redetermination within forty-five (45) days after receipt of the applicable notice. The petition must be received by the Finance Director or in the Finance Department prior to the expiration of the forty-five (45)-day period, or on the first date the Finance Department is open for business after such date if closed on such date. Mailing such petition on such date shall be insufficient. If the petition is not filed within this time period, then the determination of the Finance Director shall become final and not subject to further review, and the Finance Director may proceed with enforcement as provided under this chapter.
- C. The petition shall state the reason or reasons why the determination by the Finance Director is incorrect or invalid, as the case may be, and state the relief sought from the Finance Director. Upon receipt of the petition, the Finance Director shall promptly set a time and date for a hearing on the petition and shall notify the petitioner of the same not less than fourteen (14) days prior to the date set for hearing. A hearing date may be continued by the Finance Director for any reason provided for in this chapter, or for other good cause. All such hearings shall be held in the City Hall, if feasible.
- D. At such hearing, the Finance Director shall give the petitioner an opportunity to be personally heard and present whatever information or witnesses as he considers pertinent and relevant to the issue. Upon conclusion of such hearing, and after consideration of any information presented by the petitioner and such other information as may be available to the Finance Director, a decision shall be made by the Finance Director either cancelling, increasing, modifying, or affirming such determination, and notice of such decision shall be given in writing to the petitioner. Such notice shall contain a statement by the Finance Director of the cost of the certification of the record computed at the rate of five cents (\$0.05) per one hundred (100) words, which cost shall be charged to the petitioner if the determination or assessment is affirmed. The record shall consist of the notices and demands caused to be served by the Finance Director, the original determination and/or assessment of the Finance Director, the written petition for redetermination, the information and exhibits introduced at such hearing or certified copies thereof, the decisions of the Finance Director and such other documents filed in the proceeding.
