ORDINANCE NO. 2003-M- 99

AN ORDINANCE AMENDING TITLE 13, "PUBLIC UTILITIES"
CHAPTER 13.08, "ELECTRICITY"

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ST. CHARLES, KANE
AND DU PAGE COUNTIES, ILLINOIS, AS FOLLOWS:

1. That Title 13, "Public Utilities", Chapter 13.08, "Electricity, Sections 13.08.050, 13.08.060, 13.08.090, 13.08.100, 13.08.135, 13.08.150 and 13.08.310 ", of the St. Charles Municipal Code, be and are hereby amended by deleting the same and substituting the following and that Section 13.08.065 be added to read as follows therefore:

13.08.050 Equipment – Furnished and maintained by customer.

All wiring and other electrical equipment on the premises, or connecting the premises with the city's service, furnished by the customer, shall be suitable for the purposes hereof, and shall be installed and maintained by the customer at all times in conformity with the requirements of the National Board of Fire Underwriters as stated in the ~~current~~ 2002 edition of the National Electrical Code.

13.08.060 Equipment - City property - Protection by customer – Relocation

All meters, transformers, poles, structures, and other facilities placed on the customer's premises by the city for the purposes of rendering electric service to said premises, unless otherwise expressly provided, shall be and remain the property of the city, and the customer shall exercise reasonable care to protect such property from alterations, misuse, modification, foreign objects, vegetation, loss or damage. When there is a change in the customer's operation, or construction, which in the judgment of the city make relocation of the facilities necessary, or if the customer requests relocation, the city will move such facilities at the customer's expense to an acceptable location on the customer's premises.

13.08.065 Equipment – Unauthorized attachment

The city prohibits unauthorized attachment (including painting or marking) of any wires, signs, clotheslines, antennas, fences, etc. to its poles, pedestals, pad-mounted transformers or other structures. The city also prohibits the use of its poles for placards or other advertising matter and will remove any such unauthorized attachments without notice and may prosecute any such trespassing. The city may remove or cause to be removed without notice any unauthorized foreign matter from its poles, pedestals, pad-mounted transformers or other structures at the expense of the property owner.

13.08.090 Interference by customer's equipment Effect of Customer's Equipment on Power Quality

Certain types of equipment, which may be purchased and used by the Customer, may have operating characteristics that have a detrimental effect on other equipment of the Customer or may interfere with the satisfactory use of service by other Customers connected to the same distribution system. It is in the interest of all Customers that the use of such equipment be avoided. Where any of the customer's utilization equipment has manifests characteristics, which, in the city's judgment, may cause interference with service to other customers or result in operation at a low power factor, the customer shall, at the request of the city, provide suitable facilities to preclude such interference or improve such power factor, or both, as the case may be. Otherwise, the city shall have the right to provide, at the expense of the customer, the facilities necessary to preclude such condition or conditions. The City reserves the right to refuse service where such equipment is installed unless the Customer provides suitable compensation or protective devices, or makes satisfactory financial arrangements with the City to provide the necessary capacity or protective measures.
