ORDINANCE NO. 2004-M- 25 _____

AN ORDINANCE AMENDING CHAPTER 13.08, "ELECTRICITY," OF THE
ST. CHARLES MUNICIPAL CODE

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF ST. CHARLES,

KANE AND DUPAGE COUNTIES, ILLINOIS, AS FOLLOWS:

1. Additional section 13.08.295 is added to the St. Charles Municipal Code and reads as follows:

13.08.295 Watthour Pulse Metering Service

Watthour pulse metering will be provided, upon Customer's request, for applicable systems, under the following conditions:

- A. Customer shall submit request for watthour pulse metering in writing, including detailed specifications of the Customer's proposed monitoring equipment.
- B. Customer shall sign a contract agreeing to participate in Watthour Pulse Metering for a period of no less than 18 months.
- C. St. Charles Municipal Electric Utility staff will review, at Customer's expense, applicability and compatibility of the Customer's system proposed system with the City equipment. Normal Electric Engineering rates shall apply for the review and any subsequent work requested. Payment for all Engineering work is due within 30 days of the billing regardless of whether the Customer installs the system.
- D. City will provide an appropriate watthour meter or additional equipment within the meter and a single isolation relay, at Customer's expense.
- E. Customer shall pay \$20 per month, or any part of a monthly billing period, per each meter installation, for the delivery of the watthour pulses.
- F. City shall provide normal maintenance and repair, including lightning damage, of the meter and isolation relay. City material and labor costs shall apply for all other damage to City equipment and shall be billable to the Customer.
- G. The Customer shall be billed for labor and material expended by the City responding to watthour pulse metering trouble calls where it is concluded that the City equipment was not malfunctioning.
- H. The City shall remove watthour pulse metering equipment within 30 days of receipt by City of a written request for discontinuation of watthour pulse metering service from the Customer. After discontinuation of Watthour Pulse Metering service, the Customer cannot reapply for Watthour Pulse Metering service for 18 months.

Presented to the City Council of the City of St. Charles, Illinois, this 5th day of April, 2004.

Passed by the City Council of the City of St. Charles, Illinois, this 5th day of April, 2004.
