 Re: Ordinance Modification - 5.08.230, "Licensed Premises – Location Restrictions"
 (Liquor Code)

Introduction

The purpose of this memorandum is to explain in greater detail the proposed liquor code modification of the following:

5.08.230 – Licensed Premises - Location Restrictions (Existing Language)

We have had trouble at times interpreting the "100 Foot Rule" as it pertains to our downtown business district. Our current ordinance states:

No license shall be issued for the sale at retail of any alcoholic liquor within 100 feet of any church, school other than an institution of higher learning, hospital, home for aged or indigent persons or for veterans, their spouses or children or any military or naval station, provided, that this prohibition shall not apply to hotels offering restaurant service, regularly organized clubs, or to restaurants, food shops or other places where sale of alcoholic liquors is not the principal business carried on, if such place of business so exempted currently holds a local liquor license issued by the City; nor to the renewal of a license for the sale at retail of alcoholic liquor on premises within 100 feet of any church or school where such church or school has been established within such 100 feet since the issuance of the original license. In the case of a church, the distance of 100 feet shall be measured to the nearest part of any building used for worship services or education programs and not to property boundaries. Nothing in this section shall prohibit the issuance of a license to a church or private school to sell at retail alcoholic liquor if any such sales are limited to periods when groups are assembled on the premises solely for the promotion of some common object other than the sale or consumption of alcoholic liquors.

Pursuant to a change in the state law (235 ILCS 5/6-11) that was passed on February 24th, 2017, I would recommend in favor of following and stipulating to the provisions of the Illinois Liquor Control Act. This would allow for both a clear and consistent basis for establishments looking to occupy retail space that might otherwise been left to interpretation. Please see the Attachment 1.

I recommend the following ordinance language in lieu of our existing stipulations under:

5.08.230 – Licensed Premises – Location Restrictions (Proposed Language)

The provisions of The Illinois Liquor Control Act (235 ILCS 5/6-11) are expressly adopted in its entirety by this reference and incorporated herein as though a part of this Act.

I recommend in favor of the aforementioned ordinance modification, subject to City Council approval. Thank you in advance for your cooperation in this matter.
